

# Fiber optic adapter

## Adapter E2000 simplex

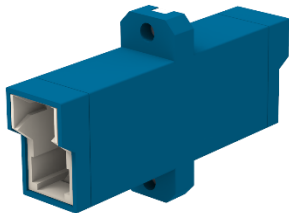

**Fiber optic adapter E2000 simplex** is a product of Connectico, the brand owned by one of the largest technology integrators of fiber optic systems in Poland - FCA. The brand's product portfolio is built based on the latest trends in passive optical network infrastructure. The product range meets the relevant quality and safety standards.

Adapter E2000/APC simplex

### features :

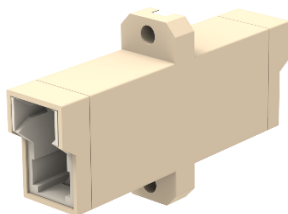

- ceramic centering sleeve,
- singlemode or multimode,
- assembled in two possible ways (with bolts and latches with flange).

Adapter E2000/PC simplex

### standards/certificates :

- IEC 61754-15
- TIA/EIA 604-16

Adapter E2000/PC MM simplex

### applications :

- infrastructure of telecommunications networks,
- passive and active network devices xWDM, CATV
- passive and active network devices LAN, MAN, WAN,
- passive and active network devices FTTx,
- passive and active data processing network devices,
- mobile networks,
- medical instruments,
- measuring devices,
- data transmission,
- Data Center.

Selection of CONNECTICO products ensures **easy optimisation of investment costs.**
