

## FP-UMP

Acts as gas insulation for the ducting end in buildings, cabinets, and chambers.

FP-UMP type seal

### main features:

- gas sealing of the microcable from the microtube (EN 50411);
- rubber gasket protecting against penetration of dust and gases into the ducting;
- simple installation without tools;
- one-piece design;
- reusable seal, easy removal after removing the securing clip;
- resistance to weak acids of typical concentrations found in soils;
- resistant to the action of liquid lubricants and other substances present in ducts.

### standards/certificates:

- PN-EN 61386-1:2011
- PN-EN 61386-24:2010
